Our resolution for 2012 is to continue to provide the best care we possibly can to all our patients so that they can share their beautiful and healthy smiles.

BRIAN'S BACK!

Brian, our sterilization intern from the summer, came back for a few weeks to help us out during his winter break from college. He is currently in his third year at Gonzaga University and hopes to become a dentist one day. Brian has a great way with kids and we were all very happy to see him during his break.

Warmest Wishes,

Dr. Matsuishi and Staff
